

Better Design. Better Build. Better Value.

1800 252 758 18304 Warrego Highway, Dalby QLD

Benefits of a Clark Tank

- Manufactured from high quality food grade UV stabilised polyethylene (No BPA).
- ✓ Will not change the taste or quality of your water.
- ✓ Polyethylene tanks do not rust or corrode.
- ✓ Can be linked together for even greater storage capacity.
- ✓ Superior design with tapered walls (above 5,000 litre).
- ✓ Once piece construction, No vertical side seams (apart from our slimline range).
- Proven history of long term use in the most demanding rural and urban applications.
- Come with quality Watermarked Fittings as standard:
 - 90mm S/S Overflow Strainer
 - S/S Inlet Strainer available
 - Watermarked Brass Outlet
 - Watermarked Ball Valve

Clark Tanks is one of very few Australian tank manufacturers that are certified to both the Australian Tank Standards.
